

CA7VCC TREASURE HUNT April 22nd 2018

NAME & CAR: _____

Welcome to this year's Treasure Hunt. We hope that you have fun and don't get lost. The route is just under 25 miles finishing at Simpsons Garden Centre, Station Road, Fordham CB7 5LW . The clues are in the order that you will find them on the route. The subject of each clue is visible from the road, but you may need to get out to read the small print! If you do need to stop then please watch out for other road users. The small roads that we are following are also very popular with cyclists – take care. There are two sections where the speed and volume of traffic make hunting for clues inappropriate; the first 1.4 miles from the start and a half mile stretch of the B1102 at 9.5 miles. All the distances given are cumulative from start in miles. CAPITALISED instructions are black & white village name signs.

If you have any problems or are unable to complete the drive then please call or text us on 07894 227689 or 07912 228179.
